TROJA 🏠 – TIPS & TRICKS

⬆️ Rooms above the 15th floor, don't miss your morning **Bus 187** due to the elevators' busy hours – **give yourself extra 5-10 min** when leaving before 10:00 on working days

🍴 Canteen meals can be bought, thus available in the same way you buy snacks 🍰 at the reception – just look for **big brick-like containers in the bottom of the hall fridge** ❄️

📺 Hallway leftovers – anything you see **laying on the floor**, mainly in front of the elevators, **is free to take** – so no need to throw away completely, you also can leave there **useless for you stuff (that's still worthy for somebody else)**

WHERE TO BUY FOOD?

STORES TO GO FROM

SAD BUT TRUE:

even using Tram/Bus/, it's 15+ min from  to any supermarket  around, plus, on weekends necessary 5-10 min on foot  (often with a heavy bag )

MORE EFFICIENT:

dropping by  with a bag  on your way  →  (details on the next page)

I. Following options on  2 go to **NH** 

OR

from  walk → Trojská for the **direct** transport:

→ Tram **17** → **Kobylisy**  (**ALBERT**  until 23:00 )

→ –[when the road is fixed]– Tram **17** → Veletržní palác
(**ALBERT**  at Schnirchova & **LIDL**  in SC Stromovka)

II. Then from **NH**  pick any of the options below:

→ Tram **1/12/25** → Dělnická (**ALBERT** )

→ Walk by the road → Dělnická (**BILLA** ) *far from Tram

→ Tram **1/12/25** → Výstaviště, walk → Schnirchova
(**ALBERT** ) OR → SC Stromovka (**LIDL** )

→ 4 subway stations → **Muzeum**  (**ALBERT** )

→ 2 subway stations → **Florenc**  (**ALBERT**  & **BILLA** )

ALTERNATIVES NEARBY

/  – walk to fast foods / mini-markets at **NH** 

 – **24/7**  inside gas station – cross the **Bus 201**'s highway, only then climb onto the bridge to go over the river

 – **small store at**  **B's** ground floor, turn right from the main entrance – usually very **limited in opening hours**

 – **cafeteria**, ground floor of Humanities faculty nearby 

 – **ISIC-friendly canteen**, open ~3h/day in  **A's** basement

From cheapest to the most expensive: **ALBERT** < **BILLA** < **LIDL** < **TESCO**

Same with  's clubcard & discounts: **ALBERT** < **TESCO** < **LIDL** < **BILLA**

TESCO is the most friendly to club card owners, and has EN-lang app

SUPERMARKETS EASY TO DROP BY ON YOUR WAY **MFF** → **TROJA**

I. Begin from Malostranské náměstí, picking  below:

Start with **Tram 12** → Letenské náměstí  then:

BILLA

→ **Tram 1/12/25/34** → **Vltavská**  → **NH**  OR

→ **Tram 1/25** → **NH**  (direct but may be longer in time)

1. **Tram 12** → Kamenická & walk a block →
SC Stromovka (in shopping center )

LIDL

2. Walk → Výstaviště for **Tram 25/1** → **NH** 
OR (rarely go there myself, but the 2nd exists)

1. **Tram 15** → Čechův most ⇌ **Tram 27** → Maniny 

2. Walk → Dělnická for **Tram 25/1** → **NH** 

Take **Tram 15** → Čechův most, then ⇌

ALBERT

1. **Tram 17** → U Průhonu & walk forward → 

2. **Tram 25/1** → **NH**  (OR **Tram 17** → Trojská, walk → )
OR (rare late-night  one, which is smaller)

Tram 17/27 → **Vltavská**  → **Kobylisy**   then pick:
→ **Tram 17** → Trojská, walk →  OR (light-weight )
→ long downhill walk through the suburbs   → 

Take **Tram 15/20/12** → **Anděl** , walk towards
Nový Smíchov (in shopping center ), next pick:

TESCO

→ **Tram 15** → Čechův most ⇌ **Tram 17/27** → **Vltavská** 

→ **Tram 12** → **Vltavská**  & finally **Vltavská**  → **NH** 

II. Then follow from **NH**  →  using any option from  2

GENERAL RECOMMENDATIONS

Mini-Markets in Prague are ~~overpriced~~ oriented towards tourists – their most distinct features are **souvenir shelves** 🎁 & **Asian shopkeepers** working at the **checkouts** 🧾. Their culture is more open to haggling, thus [%] discounts are possible, yet it depends on your negotiation skills

Flea market at Podkovářská on 7:00 Sat. & Sun. cheap home stuff & second-hand clothes, entrance is 2€

breaks between the **MFF** 🎓 classes are only 10-min-long; there are few ways to **quickly restore energy** 🍏:

– **vending machines**, from **MFF** 🎓 entrance turn left

– **small store Immedito**, from **MFF** 🎓 exit keep right

– **fast food pre-order** in McDonalds nearby **MFF** 🎓

LOW-BUDGET SOCIALIZATION

MFF 🎓's study space (ground floor, inner yard of the building) is way better than **TROJA** 🏠's study room, **BUT**:

– **MFF** 🎓's library is **more crowded** in daytime ☀

– **ISIC** pass is **rejected** for **entering MFF** 🎓 **late** 🌙

& **on weekends** – students can only exit **MFF** 🎓 late 🌙

– access to desktops is **24/7** in **TROJA** 🏠

NTK library at Technická – *alternative study space*
